

THIS IS RECOVERY

Dear Patient:

Dr. Workman has prescribed the GAME READY* Cold and Compression Therapy System to support your recovery. This advanced system, along with its accompanying wraps, is tailored to enhance the healing process by alleviating pain, reducing swelling, and minimizing edema without reliance on opioid medication. Renowned orthopedic surgeons, physical therapists, patients, athletes, and elite Armed Forces members worldwide have entrusted GAME READY as their preferred choice for injury and post-operative treatment. Backed by clinically proven recovery technologies, our mission is to empower you to finish strong, enabling you to swiftly return to what truly matters to you.

GRPRO 2.1 SYSTEM

ATX WRAPS

If you elect to use the GAME READY System, our staff will work with you to arrange for delivery. If you are a surgical candidate, this will likely be at your pre-op appointment. If your treatment does not involve surgery, we can schedule your pick-up on a day that works for you.

We're here to support you every step of the way. If you have any questions or need assistance, please don't hesitate to reach out. Wishing you a smooth and successful recovery.

Rental options are \$350 for two weeks or \$600 for four weeks, and you can pay with your HSA/FSA. Purchase options are available through Game Ready Direct at www.gameready.com.

Please call our office with any questions/concerns at 925-944-0110.
